1. How to access a Module's Content

Once you are on your myModules Dashboard, to access a Module's content (/Course content, e.g. An Assignment, a Quiz, a Forum, etc.), you will need to follow the steps below:

- Step 1: Click on the "myModules" drop-down menu and select the relevant Module site and click on it

Figure 1-1

- Step 2: You will be directed to the selected Module site.

Figure 1-2

- Step 3: Once you are in the Module Site, you can scroll down to a specific Topic and click on that Topic

Figure 1-3

- Step 4: You will then be shown a list of different Activities/Resources (depending on how the Module site and Topics are set up). You can then select the Content that you want to engage with by clicking on it.
