

02 March 2026

Dear Educators

We trust that this message finds you well and that the academic year is progressing productively for you.

Thank you for registering for the Short Learning Programme (SLP), ***Teaching in a Digital Age: Emerging Technologies, Artificial Intelligence, and Technological Pedagogical and Content Knowledge*** (Qualification Code: 77504). We are pleased to confirm that you will be enrolled in the following modules:

- EMTED01: Emerging Technologies in Education
- ARTIT02: Artificial Intelligence (AI) for Teachers
- TPACK03: TPACK Framework in Practice

Registration for the programme closed on 28 February 2026. Participants should now reflect as registered in the student system. Please note that those who have not yet paid the minimum registration fee will be reflected as temporary (TP) students until the payment is received. We kindly encourage you to settle the minimum registration fee urgently to ensure full registration status. Note that you have only until Thursday, 05 March 2026, to make payments; thereafter, all TP students will be removed from the system.

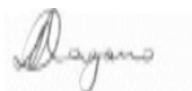

An online orientation session for the SLP will be held on **Friday, 06 March 2026, at 17:30**. During this session, we will provide important information on the programme structure and guidance on accessing the module sites, which are currently being finalised.

We look forward to a stimulating and collegial semester as we engage critically with emerging technologies, artificial intelligence, and pedagogical innovation in higher education.

Kind regards

**Prof. MD Magano**

Executive Director: Department of Tuition Support and Facilitation of Learning
